

Kilene-Experience and feel the Swedish spirit!

Kilene is in the middle of the island Hammarö.
Everybody from young to old can find an activity.
You're interested in exercising?
Try the outdoor gym! Tired of working out?
Relax by the lake, go swimming or go canoeing.
Hunger isn't a problem either, have a barbecue with
friends and family at one of the many fireplaces.
And when it gets late, just stay and camp here.
